## DEVORE 2 UPDATE

### **CLOSURES BEGIN AT 5:00 P.M. ON FRIDAY, OCTOBER 20**

**San Bernardino County** – Caltrans continues the Devore 2 Pavement Rehabilitation project on Interstate 15 (I-15) near the junction of 15/215 in Devore (just south of the Cajon Pass). Most of the work will be completed at night; however, Caltrans has planned approximately five weekends of Rapid Rehab work. *The Rapid Rehab weekend work will continue each weekend through November 2006. This schedule could change if it rains. Check for updates on the website before you leave.*

#### **Schedule for this weekend (Closure D):**

 **Friday, October 20 from 5:00 p.m. to Saturday, October 21 at 1:00 p.m.:**  
Southbound I-15 connector to southbound I-215 will be closed during the times listed above.

**Detour:** Southbound I-215 travelers may continue south on I-15 through Fontana/Rancho Cucamonga to Interstate 10. Take I-10 east back to I-215. You may also stay on southbound I-15 and exit at Glen Helen Parkway and turn left, go under freeway (I-15) and turn left and get back on I-15 northbound. Continue to southbound I-215 connector.

**Motorists are urged to plan ahead or take an alternate route, if possible. Substantial delays may be expected on Friday afternoon if 30-40% diversion is not achieved.**

For more information on this project or other Caltrans roadwork, please go to our website at [www.caltrans8.info](http://www.caltrans8.info). You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have computer access, please call us at (866) 383-4631.
